### Headteacher's Note

Dear Parents/Carers,

This week saw the pupils in Years 3 and 4 take part in Bikeability Level 1 lessons, well done to all of our children who took part on Wednesday. This was a busy day as a selection of Key Stage 2 pupils also took part in an archery competition in Rushden. Well done to everyone who participated, it was an enjoyable morning for all.

Week commencing Monday 20th May starts Walk to School Week across the country. Classes will be recording how many pupils can achieve walking to school this week as part of a competition. Even if you drive to school (as we know this cannot be helped depending on where you live) please can we ask you to park that little bit further away so that your child can experience walking to school and be an active member in contributing towards this healthy schools initiative.

I am pleased to announce that the school will be hosting another holiday club this May Half Term. Please find the poster with key information and how to book within our Family Support section of this newsletter. There is again a special discounted rate for the pupils of Ringstead at £15 per pupil per day along with a 50% discount for siblings.

Have a lovely Bank Holiday weekend everyone and I look forward to seeing you back in school on Tuesday!

Mrs Roberts

## Safeguarding

Please find information this week from the NSPCC's website on how to help protect children from neglect. This website discusses how to recognise parental neglect, respond to it and prevent it. Along with providing information regarding the impact of neglect and the legislation including prosecution.

## Online Safety

Please find information this week from Skips Safety Net, regarding Privacy Settings and how you can help to keep your child safe when they are online. [A Parent's Guide to Privacy Settings](#)

## Attendance

This week's whole class attendance winners are **Robins**. Congratulations **Robins**!

## Stars of the Week

**Congratulations to this week's Stars of the Week!**

## Ravens Science

Ravens had an interesting afternoon on Friday by examining owl pellets. They pulled these apart and identified the bones of mice, rats and chicks. This is all linked to their latest Science topic with the current focus being the human impact on food chains.
